

BUILDING RECORD SHOWS INCREASE

Permits for April Totaled \$812,000 According to Tabulation

Building permits for the month of April reached approximately \$812,000, according to the monthly tabulation of the city inspection department.

The total was substantially increased Saturday when a permit for \$125,000 was issued for erecting a heating plant, electrical and plumbing work and interior finishing of the Atlas Life Insurance building, and \$150,000 for the Bank Commerce building. An \$85,000 permit also was issued to E. P. Harwell for a residence at 2210 South Main street.

The building permit record for April is greater than that of any previous month this year.

MR. AND MRS. Mae W. Rupp, 214 East Jasper, announce the birth of a son, Mac William Rupp, Jr., on April 24.

AMONG THE ANNOUNCEMENTS for office coming from Oklahoma City a few days ago, Charles E. Webster of Drumright was credited with being a candidate for judge of the superior court of Creek county on the republican ticket. Judge Webster advises us that this is an error in that he is not a republican but a democrat, making the statement subject to the decision of the democratic voters of his county.

A DISTRICT COURT jury Saturday after only a few minutes deliberation returned a verdict in favor of the defendant in the \$50,000 damage suit brought by Mrs. Josephine Smith against the Evans-Howard company. It was the second trial of the case, a new trial having been granted last January after the jury had returned an instructed verdict in favor of the defendant. The suit was brought following an auto collision in January of 1931 at Seventh and Main when a car in which Mrs. Smith was riding and an Evans-Howard company car ran into each other. Mrs. Smith claimed that she was severely injured.

MARRIAGE LICENSES issued Saturday: Orval Rhodes, 34 and Frances Brown, 36 of Tulsa; H. G. Dickenson, 23 and Beulah Simons, 22 of Tulsa; James C. Wilson, 29 and Vernice Mae Wilson, 25 of Tulsa; Gus Kendrick, 23 and Myrtle Turner, 18 of Boxley; Hester Dutton, 21 of Kiefer and Pearl Bradshaw, 20 of Broken Arrow; W. S. Moots, 26 of Oklahoma City and Majorie Adams, 22 of Miami.

THE CLEVELAND AUTO agency has opened a sales and service station at 624 East Third, where a complete line of Cleveland cars are on exhibition. J. F. Nix, who is sales manager for the concern, in discussing general business conditions in the motor industry Saturday said that the outlook is very favorable.

ROBBER SPEEDILY CAUGHT

Youth Who Robbed Broker's Bank Captured in 30 Minutes.

DADELL, April 29.—Thirty minutes after the First National bank of Brokenbow, north of here, had been robbed today of \$2,000 in currency, a young man gave his name as Frank Lucas, was on his way to the McCurtain county jail in charge of a deputy sheriff.

When the bank opened for business this morning the bandit appeared and while the cashier was in the vault, seized the money and escaped. Pursuit was instituted immediately, and in a few minutes the alleged robber was captured. The loot was in his possession. Bank officials believe the bandit entered the bank during the night and waited for the opening this morning.

The McCurtain county bank at Brokenbow was robbed two months ago, one of the alleged robbers afterward was killed in the hills of Onaga county by a sheriff's posse.

MAN'S GLASS EYE BURSTS

Teacher Recovering From Injury Caused When Glass Was Worn.

LETHBRIDGE, Alberta, April 29.—If you're the "weary" of a glass eye and have "worn" it for years, profit by the case of Robert Folson and get a new optic. Folson, a teacher, is reported slowly recovering here today following the explosion of his glass eye yesterday afternoon. Wearing away of the thin glass until gas formed within it burst the shell, caused the blast, physicians stated.

School had ended for the day and Folson had turned to speak to the janitor when the delicate glass exploded, striking the optic nerve. Fractures were removed only with great difficulty by doctors.

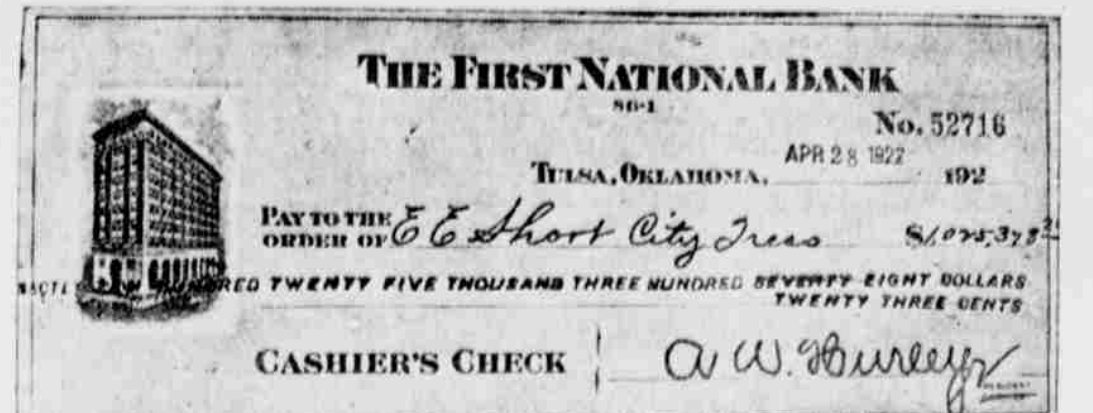

While Guests Gather Bride-to-Be Elopes

About 50 boys attended the employed boys' banquet held in the boys' lobby of the Y. M. C. A. Saturday night. Every member of the city was a guest at the banquet and for nearly two hours no telegrams were delivered or called for. The banquet marked the close of an all-day session of employed boys. Several delegations from out of town were present at the day.

References but were unable to remain for the banquet. Members of the Rotary and other civic clubs attended the banquet and made short talks. Other talks were made by local business men and workers. The conference and banquet was held under the direct supervision of C. W. Blakey, boys' work secretary for the Y. M. C. A.

Contrasting with other leading powers the size of the army in comparison to the population, the number in the American army for 1932 was 1.42 per 1,000 population, while the number in Great Britain was 7.34; France, 1.47; Italy, 8.17; Japan, 5.4, and China, 4.69.

Check for More Than a Million Received From Sale First Block Spavinaw Bonds

The check for \$1,000,000.00, which has been placed to the credit of local banks, of the total \$1,000,000 was deposited subject to use by the water commission to meet current expenses of the Spavinaw water project, and the remainder was deposited for a period of four months at 4 per cent interest.

The money derived from this sale has been divided among the various banks. The first block of Spavinaw bonds was sold two weeks ago for par and accrued interest and a premium of more than \$12,000. The remaining amount in the check above \$1,000,000 represents accrued interest on the bonds, which are dated February 1.

With this money the water commission expects to get the Spavinaw project well under way before selling any more of the \$5,500,000-bond issue.

The \$1,000,000 worth of bonds already sold, \$500,000 worth bears 5 per cent and \$400,000 worth 5 1/2 per cent.

above the highest previous record and much more flood water expected to come, it is believed a large section in this zone will remain covered until July.

The right to hold the levee lines is costing thousands of dollars daily. Among those from whom the flood is taking a heavy toll in addition to planters are operators of sawmill plants and railroads. Much valuable lumber has been washed away and the roadbeds of the rail lines are seriously affected. The transportation of livestock to places of safety from the flood has also added to the cost of the foundation. In proportion to the population a comparatively limited number have left their homes, but as flood conditions intensify it is expected that there will be many additional refugees, to arrive at the point where relief headquarters has been established.

Two Negroes Meet Death.

The first loss of life from the flood caused by the Weecama crevasse is reported from Clayton, La., today, where two negro men were caught in the swift torrent pouring into the Tensas river and drowned. It was stated that while the current is unusually strong at this point, the depth is not so great as previous reports indicated.

Residents of Harrisonburg and 500 flood refugees face starvation unless supplies speedily arrive, reports stated. The town has been without communication for two weeks and stock of merchants are exhausted. Two hundred additional refugees arrived there today. A steamboat is reported to be en route from New Orleans with supplies. Oklahoma is a town of about a thousand population.

To keep the bodies of former soldiers from being buried in Pottery's fields, the American Legion of Wisconsin has purchased a cemetery plot of its own at Racine.

held whatever new evidence it may have.

OKLAHOMA CITY, April 29.—The killing on April 4 of Lieut. Col. Paul Ward Beck by Jean P. Day, former supreme court commissioner and prominent Oklahoma attorney, was held to have been justifiable in a verdict returned by a coroner's jury here following an inquest over Beck's body. No charge was filed against Day.

Beck was killed at the Day home in this city when Day returned early in the morning and found him struggling with Mrs. Day in the living room, according to testimony of Day and Mrs. Day at the inquest. Day had left to take to their home some guests who had attended a gathering at his residence.

At the inquest Mrs. Day testified that Beck had made an improper proposal to her.

the best Mississippi farm lands are covered with backwater, Warren, Yazoo and Issaquena counties are the heaviest sufferers there. Water rushing through the crevasses near Ferriday, La., it is estimated, has covered approximately 1,200 square miles of land, including many valuable plantations in Concordia, Catahoula, Tensas and adjoining parishes, and the water is spreading.

Many Small Sections Flooded.

In St. Bernard parish the break in the levee at Poydras has already covered about 125 square miles. The water is continuing to spread slowly to the south, reports state. In Plaquemine parish where a break occurred at Myrtle Grove a week ago about 100 square miles was inundated. Last reports available from the White river basin, Arkansas, were that about 235 square miles of land was covered with backwater.

Many other smaller sections in Arkansas, Mississippi and Louisiana are known to be flooded but no estimate of their extent have been made. It is estimated that the property loss.

NATCHEZ, Miss., April 29.—Approximately 30,000 persons are affected above Ferriday from flood waters from the Mississippi, Red, Black, Little, Tensas and Ouachita rivers it was estimated today.

About 750,000 acres, half of which is in cultivation, will be overrun. It was estimated and the damage to crops, highways and fertile lands will run into millions of dollars.

All of Concordia parish—423,525 acres—is inundated, including 100,000 acres that had been planted in cotton at an estimated cost of \$3 an acre.

An area of about 250,000 acres in Catahoula parish is affected and of this acreage about 75,000 has been planted in corn and cotton.

The flood is rushing into Tensas, where there are 80,000 acres in cotton.

MAY DAY WILL BE OBSERVED AT T. U.

Dancing, Pageant and the Crowning of Queen to Be Features

With May day dance and pageant and crowning of a queen will the University of Tulsa observe May day on its campus Monday afternoon at 4:30 o'clock. Seventy coeds and young men will play their different parts in the festival under the direction of Miss Margaret Wyndham, head of the department of expression and public speaking, and Miss Ellen Richardson, physical director for women.

A pageant match, two group dances—"Sunny Mazurka" (Chopin) "Dances of the Sunbeams" (Caden) and a solo dance by Lillian Randall will open the festival. Then a pageant, "The Fountain of Youth" (Constance D'Arcy Mackay), with Grace Prebel impersonating "Ponce de Leon," Louis Reeves "Silva," Carlton Cunningham "Cordova," Telma Lee "Guardian of the Fountain" and "Daughters of the Dawn" Gail Lewis, Floy Burkhardt, Dorothy Morrison, Mabel Neal, Mildred Winterfinger, Opal Mason, Margaret Corbin, Iola Ford.

Miss Randall will then dance "Morning Mood" and a group of girls the Maypole dance, "Marceline" (Trynkouf). Announcement will then be made of the identity of the May queen for 1932 from the result of an election held held by the student body recently and kept secret, and the festival will close with a pageant match.

This year's queen, Miss Sylvia Anna Hall and Robin Hood, Lawrence Johnson, will have full share in the proceedings. Their attendants will be the following: herald, Harold Gordon; jester, Vergil Hall; flower girls, Mary Kimbrough, Wilma Cole, Emma Grace Harcrow, Haven; pages, M. L. and Joseph Cooper; attendants from junior class, Lucille Berlin and Joyce Handley; sophomore attendances, Janice Rainey and Brock Hartman; freshman attendants, Jenny Price and Bahille Shammatona.

The colorful movement of the

spectacle will be to music provided by Louise Willbanks, Katherine Patton, Lucille Berlin and Carmen Jackson.

Norman Special Will Be Parked in the Katy Yards Until 8 O'clock

The special from Norman bearing contestants and supporters from Central high school will be in early this morning and will be sidetracked at the M. K. & T. yards, according to a telephone message received by Principal Morie C. Prunty from Ward H. Green Saturday night. Students will be permitted to remain on the pullmans until 8 o'clock.

Oklahoma City papers, Green said, award Tulsa high first place in the fine arts department on a basis of points. Oklahoma City won more first places in contests in this department, Green said, but Tulsa has more points and wins for that reason. Tulsa won the most firsts in the academic work, he said further. All students were feeling fine, having a great time and full of enthusiasm, he reported.
